Car Sharing

Save money by sharing your journey to work!

Car sharing is a great way to cut down your commuting costs and help the environment.

You don't need to own a car to become a car sharer – you can be either a passenger or a driver – you just need to find someone who is travelling at the same time, and in the same direction, to start sharing.

6.6m saved in car related fuel costs since first occupation

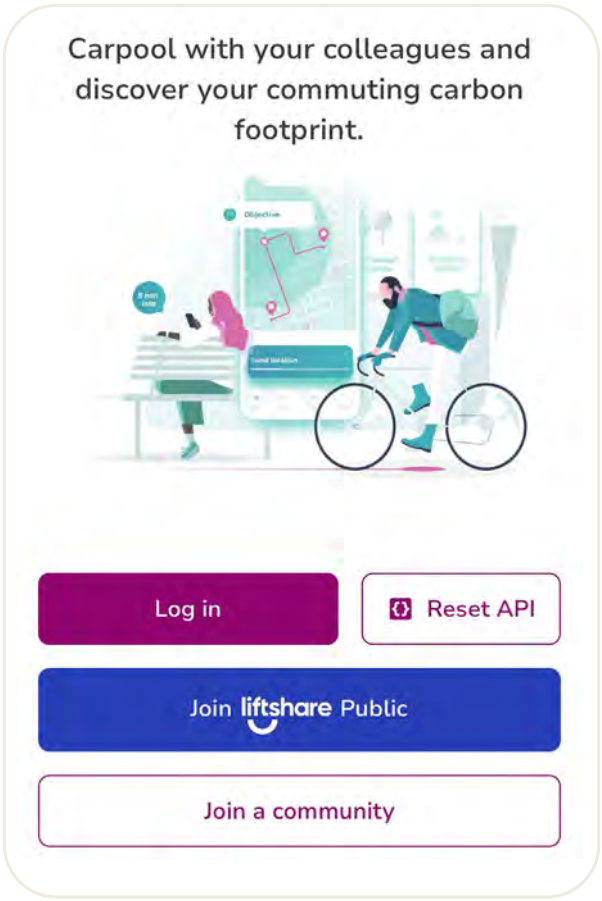

33% employees commuting via car sharing (2025)

Need help finding a car share partner?

The East Midlands Gateway Liftshare network can help you find a car share partner by searching for people making similar journeys within your workplace, or across all employers at East Midlands Gateway.

Getting to work, together

mobilityways

Connecting you with a car share partner

Benefits of Car sharing

Car sharing to work has many benefits, with one of the largest being its cost effectiveness.

With the price of fuel constantly changing, car sharing helps reduce individual travel costs, making daily commuting more affordable.

Save money – reduce the cost of fuel by splitting the journey with colleagues

Better for the environment – helps cut CO2 emissions and improve local air quality

Enjoy a more sociable commute with colleagues

Cuts down on driving stress by sharing driving duties

Improve local traffic flow by reducing the number of vehicles on the road

Helpful for those that work shift patterns that do not always align with public transport timetables

Cycling and Walking

Active travel, including walking, cycling, and wheeling, can have a positive impact on your health, wellbeing, and your wallet. Leave your car and the hassle of driving at home and choose active travel to make your commute simpler and healthier.

Kegworth, Sutton Bonington and Castle Donnington are all within 5 miles of East Midlands Gateway — perfect distance for commuting by bike.

Dedicated walking and cycling paths around the site provide safe and convenient connections to nearby communities.

If you are walking or cycling to work, your workplace will have all the facilities you need.

- Each workplace is equipped with showers, changing facilities, and lockers
- Secure and covered cycle parking

Need a bike?

Many employers offer a Cycle to Work Scheme to help employees save money when buying a new bike and safety equipment. Speak to your employer to find out more.
